

**Recommended washing-instructions for:
AirFlex™, ComfortFlow™, SuperScrape™**

Normally soiled mats

No.	Process	Comment	Time	Water	Temperature
1.	Flush		2 - 3 Min.	medium	49°C
2.	Break		5 - 10 Min.	high	60°C
3.	Rinse	optional	2 Min.	high	49°C
4.	Rinse		2 Min.	high	cold

Please note:

→	Break should not exceed a pH of 9,5. Use low pH non-ionic detergents
→	Lay mats flat following removal from washer
→	Mats do not require extracting or drying
→	Allow mats to cool before rolling
→	Main purpose is to dissolve and remove grease residues from the mats
